

HOW TO MAKE A RAINBOW FISH

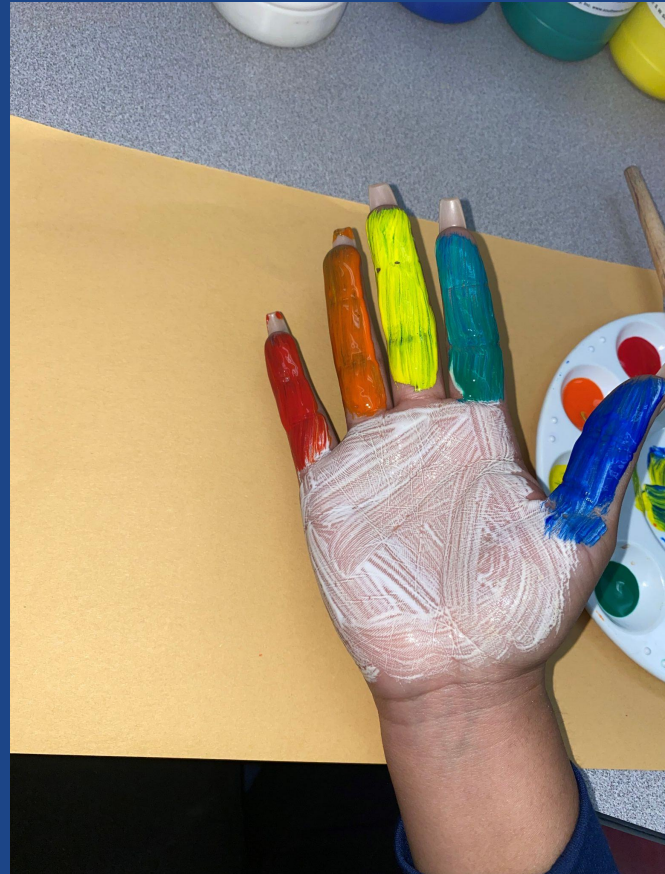

Material:
Paint (colors in
the rainbow)
Paintbrush
Paint pallet
Paper (any
color of your
choice)
Googly eye

Pour in all colors
you will use on
paint tray.
I used; white,
blue, green,
yellow, orange,
red

Paint hands.
One color for each finger
For the palm (the fish's
body) I used white

Place painted hand firmly on your paper

Place the googly eye, draw the air bubbles coming from the fish and add some waves to complete your rainbow fish!
